Live365 Announces "Best of 2005" Award Winners

"Mikey" Award celebration honors independent broadcasters and recording artists.

Burlingame CA (Live365) May 1, 2005 - Live365, the world's largest internet radio community, announced the winners in over 50 genres and non-musical categories at a celebration at the Embassy Suites Hotel.

The ceremony also featured live entertainment from San Francisco recording artists Renee Sebastian and Kiff Gallagher, with Geoff Byrd from Portland OR, headlining. Byrd, who just signed with Granite Records (Universal), kicked off his 50-stop radio tour with a stunning performance that garnered a standing ovation.

Those broadcasters who won awards were required to deliver a five word acceptance speech.

Some of the more popular genres were divided into two categories, one above 10K Total Listening Hours (TLH) and one below 10K TLH.
